

NORTH CAROLINA PROSTATE CANCER SOCIETY

7376 Ruby Stone Court
Leland, NC 28451

3/18/16

Dear Friend,

We need your help and support to make the Sixth Annual Stomp Out Prostate Cancer Run a success. This year's race will take place in Asheboro, NC on Saturday; September 24, 2016 and is open to men, women and children of all ages and abilities. Our event is open to walkers and runners. We need donations for our participant bags, water, post race snacks, as well as materials and services needed to make this race a success. The greater the number of door prizes and race amenities we can provide will translate into a greater number of participants in our race. All donations will be acknowledged in print as well as on race day materials. Please review sponsorship levels on the attached page.

It is the mission of the North Carolina Prostate Cancer Society (NCPCS) to heighten awareness, promote detection, and provide support to the population in general and especially to those who are, or have been affected by prostate cancer. The money raised will be used to provide education /education materials and promote community screenings across North Carolina. Also, we will provide support to agencies in North Carolina that support our mission as well as a general support of those afflicted with this disease and their families.

All men are at risk for developing prostate cancer. In fact, one in seven men in the US will be diagnosed with prostate cancer during their lifetime and one in thirty-six will die from this disease. An estimated 240,000 new cases of prostate cancer will be diagnosed and approximately 33,000 men will die from prostate cancer this year.

The North Carolina Prostate Cancer Society is a 501 (c) 3 tax exempt organization.

Sincerely,

Rod Lattie
