NCPCS 5K run / Fun Mile Stomp Out Prostate Cancer Fundraising Event

Asheboro, North Carolina

The North Carolina Prostate Cancer Society (NCPCS) is hosting the NCPCS Stomp Out Prostate Cancer 5K Run and Fun Mile on June 18, 2011. This event will take place in Asheboro, NC and is open to men, women and children of all ages and abilities. The 5K start time is 8:30 am. A schedule of activities will include Dance Teams (Cloggers, Steppers, etc) to expand on and illustrate our theme, "Stomp Out Prostate Cancer." It is the intent of NCPCS to mobilize the population to action against this disease.

All men are at risk for developing prostate cancer. In fact, one in six men in the US will be diagnosed with prostate cancer and one in thirty-six will die from this disease. An estimated 230,000 new cases of prostate cancer will be diagnosed and 32,000 men will die from prostate cancer this year.

The NCPCS is a nonprofit corporation registered with the state of North Carolina. It is the mission of the NCPCS to heighten awareness, promote detection, and provide support to the population in general and especially to those who are, or have been affected by prostate cancer.

During this event, raffle tickets will be sold for a number of items. The drawing will be held at the end of the event. Time of drawing will be announced on race day. Ticket holders must be present to win. Tickets will be drawn until all prizes have all been awarded.
